📋 CAREER OBJECTIVE

A highly motivated and detail-oriented **Java Developer** seeking to leverage my foundational knowledge in **Java programming** and understanding of **API design** and **web development** principles. Eager to contribute to innovative projects and grow my skills in a collaborative team environment.

🎓 EDUCATION

B.E - Computer Science and Engineering , RP Sarathy institute of technology CGPA: 8.52	2022 – 2026 Salem, India
HSC , Kalaimagal Matric Higher Secondary School Percentage: 83.3	2021 – 2022 Salem, India
SSLC , Fatima Girls Higher Secondary School Percentage: 73.8	2019 – 2020 Salem, India

📁 PROJECTS

Java ATM System (Console Application)

Built a Java console application simulating an ATM system to demonstrate proficiency in OOP. The project includes user authentication, multiple account management, and core banking functions like deposit, withdrawal, and transaction history.

Railway Ticket Booking System

Developed a Java-based console application that simulates a railway reservation system with features like multi-passenger booking, ticket generation with PNR, fare calculation by class, seat availability tracking, booking search, and cancellation. Implemented file handling to maintain booking records and ensured data consistency through input validation.

🧠 SKILLS

Programming languages

Java programming | Python programming

Web Technologies

HTML | CSS | JavaScript

Tools

Eclipse | Visual Studio Code | Git/ GitHub | MS Office

Database

MySQL | SQL Server

📁 INTERNSHIPS

Java Intern , CodSoft	01/2025 – 02/2025 Bangalore, India
Python Intern , Code Alpha	05/2025 – 06/2025 Lucknow, India
Python Programming Intern , Micro IT India	05/2025 – 06/2025 Haryana, India
